From.

H. H. Jarkes Esqre
President of the
Local Fund Board
Kadur Circle

To

The Secretary to the
Government of Mysore
General & Revenue Departments.

Sir.

I have the honor to submit herewith for favor of Government sanction a revised estimate for Rs 793/- for constructing a square well at Mudenahalli village in the Kadur Taluk.

2 The original Estimate sanctioned by the President in the month of March 1900 was for Rs 484/- and the depth of the well as per original Estimate was 48 ft, which is also endorsed for favor of perusal

3 The Assistant Commissioner in charge of the Northern division after inspecting the work reports that though the well has been sunk to a depth of 48ft and water has just been tapped, the well will have to be deepened 10 ft more to ensure an unfailing supply of water for the use of the villagers. Hence the revised Estimate.

The Excess of Rs 309/- over the original Estimate may be met out of Rs 5000/- sanctioned in G.O. No: 1757-8 dated 3. 8. 1900. A copy of the abstract of the revised Estimate is enclosed

I have the honor to be,
Sir
Your most obedient Servant
